TASTING NOTES

Sask Prairie Old Fashioned - The ready to enjoy Sask Prairie Old Fashioned is a work of art every time! Simply pour over ice, garnish with a maraschino cherry, orange slice and Enjoy!

Sask Prairie Manhattan - An essential for any whisky lover, Sask Prairie Manhattan is a cocktail made with the finest Rye Whisky, vermouth, and bitters. Simply pour over ice, garnish with a maraschino cherry and Indulge!

Sask Prairie Negroni - has bitter notes but the taste of vermouth and orange garnish add enough fruity sweetness to balance it out. The taste is herby, a bit rooty- think liquorice root - and then there are some deep dark fruit flavours. The gin adds classic juniper tang, notes of lemon and coriander seed.

Sask Prairie Peach Martini - The smell of peach blossoms and the taste of a delicious ripe Peach in spring is something you can experience all year long with the Sask Prairie Peach Martini. This refreshing well-balanced cocktail is crisp and flavorful without that syrupy taste. You will escape to Savannah after your first sip.

Sask Prairie Whiskeyville Sour - Sask Prairie Whiskeyville Smash mingles the acidic flavors of freshly pressed lemon, exquisite whisky balanced by simple sugar for flawless whisky sour tastes. Just pour over ice, garnish with a maraschino cherry and enjoy.
